      - Last year, a lot of folx took it as a break from work and didn't participate in educating folx about AFSCME OR in the strikes

      - Closing the center.
      - Open the center but have an AFSCME Representative tabling outside of the center or presentations in the center.
    - **Mina moved to provide support to the UC Workers Strike via tabling outside the center to bring awareness to the strike and by offering a space for AFSCME in the case that they are interested in hosting an info session or workshop.**
